A quest for knowledge . . .

What is a high school...

It is an institute of *knowledge*, a house of learning. It prepares students for their future vocations by helping their minds to grow and increase in wisdom.

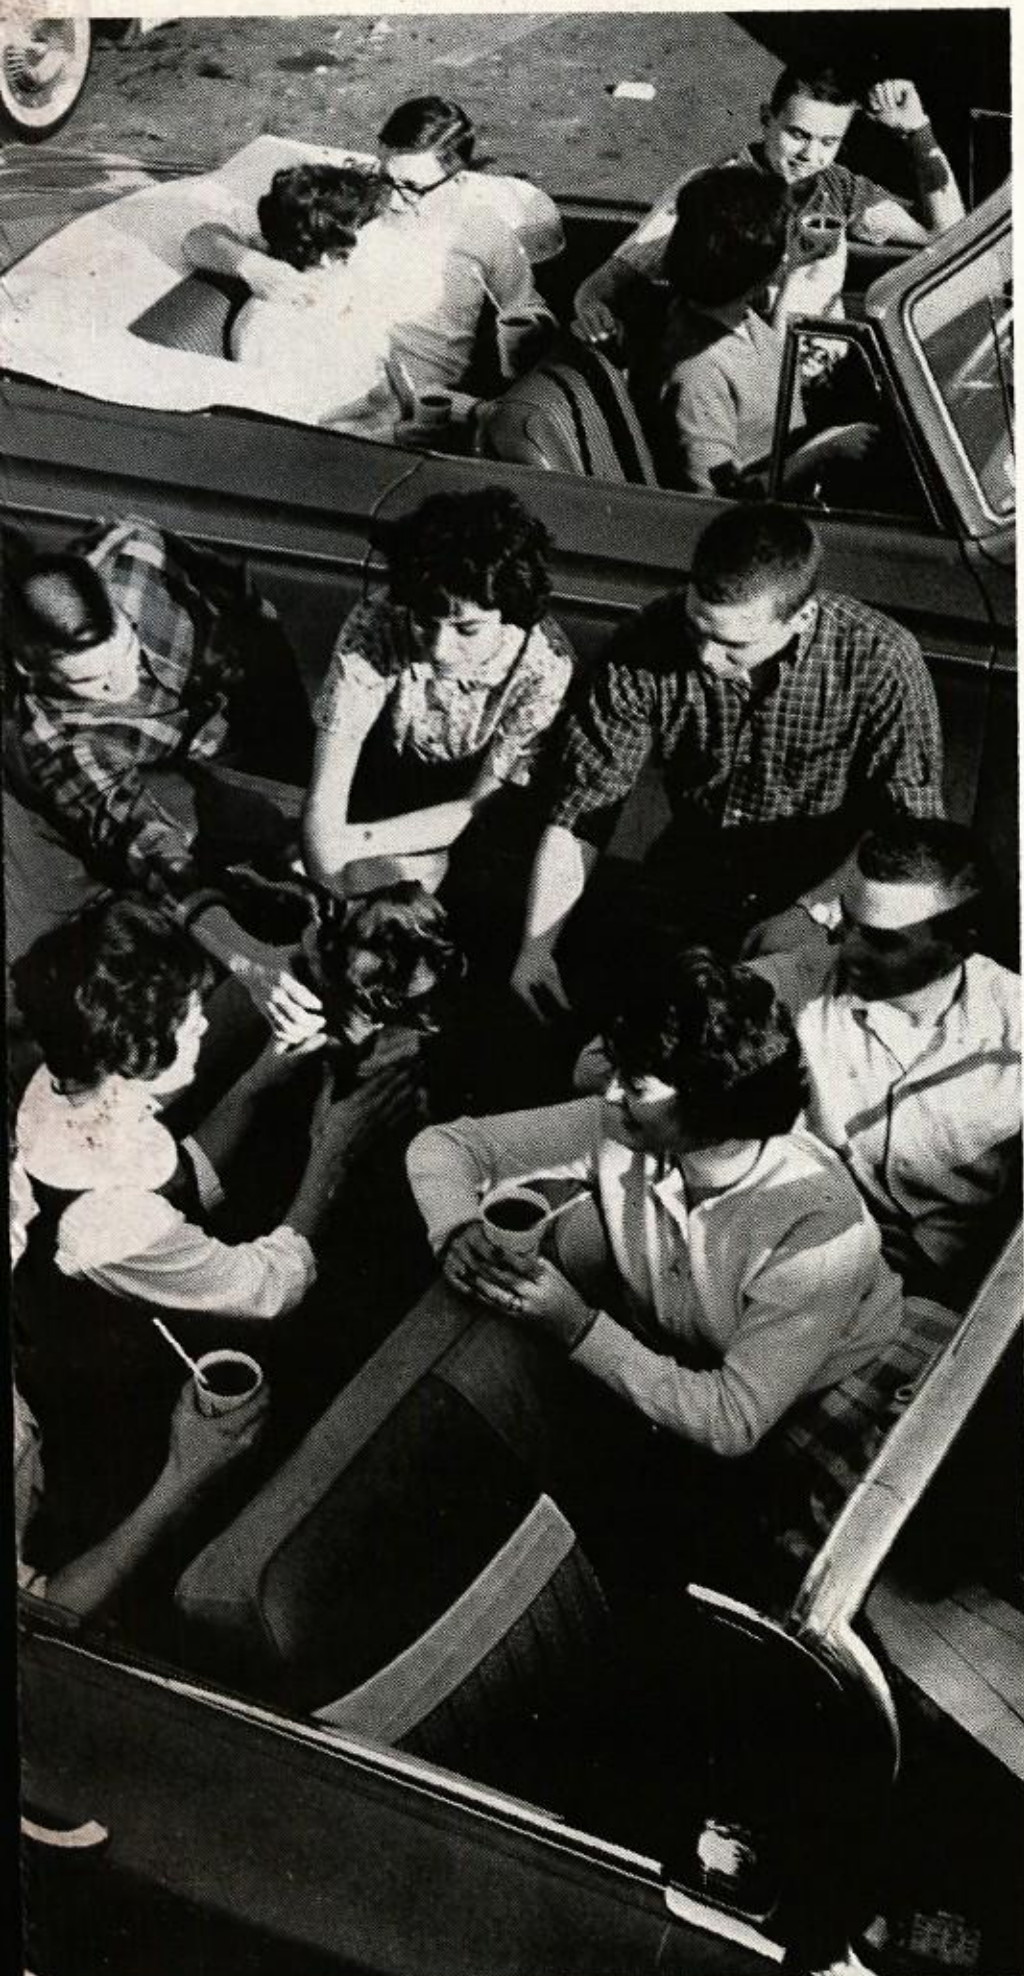

A high school is a world of *friendships*—a world that daily grows and increases in number. Our friends make school life more pleasant and enjoyable.

A high school has *spirit*, a certain enthusiasm and zeal for the everyday activities of school life. The spark of unity among the students prevails in a high school, that is, our high school, Norwood High.

An alliance of spirit . . .

A growth of friendship . . .

A quest for knowledge

Mr. Olmes instructs art students in the technicalities of portrait drawing.

Our institute of knowledge, friendship, and spirit makes an impressive picture.

New members in National Honor Society, Judy Allen and Tim Hatfield, signify their acceptance of membership by lighting their candles at the flaming torch.

"To know that we know what we know, and that we do not know what we do not know, that is true knowledge."—Thoreau

The amount of knowledge gained in high school can determine your future.

Your biology partner who dissected that frog so competently may, in a few years, be a skilled surgeon. The student who delighted in solving those physics problems may someday be a capable engineer.

The girl who finds pleasure in learning the mechanics of cosmetology may eventually be a famed beautician.

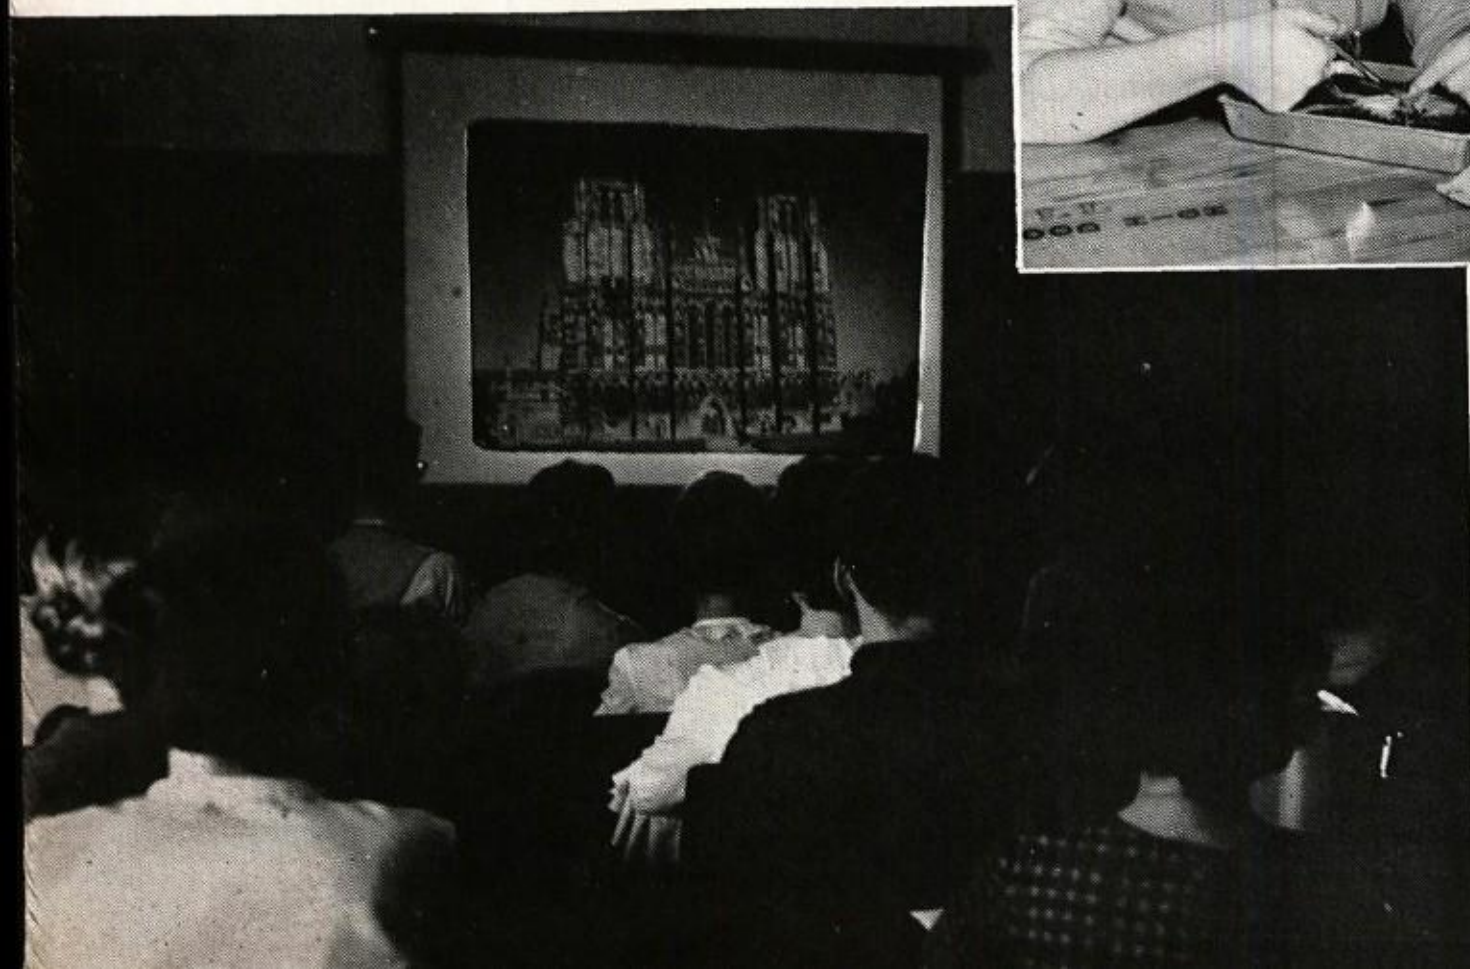

Doctors, lawyers, teachers, mechanics, architects—they all get their start in high school.

One facet of learning is gained through the use of audio-visual equipment.

Mr. Earl O. Henry demonstrates the force by which Colonel Glenn will orbit the earth.

Biology students gain knowledge through the dissection of frogs.

Friends congregate in the cafeteria—especially around the disc jockey stand!

"Now, smile pretty! Remember, all your friends will be getting these pictures!"

Dancing under 945 glittering stars makes the Junior Prom an unforgettable experience.

Cosmetology students help to spread friendship by doing charity work at orphanages.

Studying with friends makes that last-minute cramming a lot more pleasant.

growth of friendship...

The Junior Prom, the "Y," Girls' Week, dances—all of these activities help to add to our circle of friends.

Can you imagine a day in which no one gathers around the drinking fountain to discuss the past and the future days' activities!

Sharing our times, both good and bad, is a big part of friendship.

Miss Kiernan's helpful guidance is typical of Norwood's counselors.

Homeroom 105 sets up their table decoration—the result of many weeks of work.

Spirit? It's registered on every face at the bonfire!

An alliance

"YIP-E-E-E! I've found my peak!"

The Lemonlighters "ham it up" for the Senior Showcase!

spirit...

Little is accomplished by one person, unless he is a leader capable of uniting others. An alliance of spirit is the forerunner of any successful project.

We, as students, demonstrate our spirit each day in athletics, programs, and in activities.

A great deal of work goes into one edition of the *Mirror* or *SILHOUETTE*. What could be accomplished without teamwork?

"O, Little Town of Bethlehem" rings through the auditorium as Theta and Choir girls join together at the Christmas assembly.

"Hup, two, three, four!" Norwood's football players add spice to a pep rally.

Knowledge

Knowledge represents growth, understanding, and a clear perception of truth. Knowledge is the foundation on which a high school is built. The academic courses offered throughout high school help to prepare the student for his future after graduation.

Time does not make knowledge old-fashioned. The hour glass of knowledge never runs empty. Just as the glass must be frequently turned over to start the sand flowing again, the mind must frequently be challenged to keep the thoughts alive.

MR. CARL H. ALBRECHT

In Memoriam

*"Even children followed with endearing wile,
And plucked his gown, to share the good man's smile."*

—GOLDSMITH

The death of Mr. Carl H. Albrecht, respected administrator and beloved friend to all, was a lamentable shock to all members of the student body and faculty at Norwood High.

Mr. Albrecht had served as Norwood's Dean of Boys, principal of Williams Avenue School, principal of Norwood High, and finally superintendent of Norwood Public Schools.

Through his various positions, Mr. Albrecht eventually came into contact with almost every student at the high school.

His friendly smile and deep, powerful voice identified him. He was truly a great man whose deeds will never be forgotten.

Maintaining the top scholastic record of Norwood High School among other high schools is the job of the Board of Education. The five members of the Board, who are elected by the citizens of the city, the treasurer, and the superintendent of all the schools are active in determining the policies of all Norwood schools.

The task of choosing our faculty lies in the hands of our Board of Education. The proof of their fine selections may be seen by the degrees earned by the members of our faculty. The Norwood School System can be justly proud of its well-trained faculty,

and by the hard-working members of the Board of Education. The elected members of the Board are the following: Mr. Charles Vogel, President; Mr. David Ramage, Vice President; Mr. Charles Evans, Mr. Harold Funk, and Mr. Paul Sullivan.

The Board of Education was severely crippled this year by the death of our beloved superintendent, Mr. Carl H. Albrecht.

The way in which we as students can show our appreciation of the Board of Education for their devoted work is by using the knowledge which the Norwood schools give us to the best of our ability.

MR. ALBERT GESELBRACHT
Principal

The Administration of Norwood High School is headed by our principal, Mr. Albert Geselbracht. Besides his many duties as principal, he is the advisor for Student Council.

Miss Kehm, the dean of girls, is the advisor for the Girls' Council and the head of the Miami Extension. She helps girls solve personal problems and schedule complications.

Mr. Sanderson, the dean of boys, not only acts as a counselor to boys but is the Junior Class advisor and director of the summer school program.

Mr. Kistler, the assistant principal, has charge of the Technical School and Night School.

These are the four key people who see that our school is run smoothly.

MR. EMIL T. HOSTETLER

In Memoriam

Mr. Emil T. Hostetler is a man who cannot be forgotten.

He was the paragon of virtues—trust, understanding, humility. He devoted his life to helping others. Thousands of students have received their starts in life through Mr. Hostetler.

His insurmountable trust was his outstanding quality. Many hours of work were put into his co-op program in the little office outside of room 325.

Boys and girls alike took their problems to Mr. Hostetler, and he always listened and advised.

Mr. Hostetler has left an indelible mark at Norwood High School.

Is room 313 getting smaller or is French Club just getting larger? This year French Club is comprised of two French I classes, two French classes, and a combined French III and French I class. To aid the students in their study a scientific laboratory has been erected. In addition to the room, 313 has a television, so that the students may take part in the programs produced on WCET for French study.

The creaking door when nobody enters is caused by the lovable Pierre and Gertrude, their mascot. They and their "Mats and Kise" have been members of French Club for years.

French Club supports two underprivileged children in France. Without the aid of the French Club these children would have to be placed in an orphan home. The present children are Bethy and Gerrard, but French Club has supported many children.

In order to raise the necessary funds to support these children, French Club sponsors their annual Mardi Gras Dance. Under the direction of their advisor, Miss Miller, the dance was held on January 2, and Clark Eads and Pam Parsons were crowned Mardi Gras King and Queen. French Club also sells stationery with the facade of our high school building embossed on the paper.

Latin, the dead language, regains life and vitality in the first and second year Latin Clubs.

The Norwood clubs, now under the direction of Mrs. Scully, were originally organized by Miss Beavers in 1936. The clubs are open to all Latin students and alumni. Promotion of greater friendship among students and encouragement toward appreciation of the Latin language and Roman culture are their goals.

ROW ONE: B. Huskey, D. Wethington, B. Parsons, P. Wilson, J. Clark, B. Bolton, J. Ulm, D. Ramage. Row Two: D. Spears, T. Haddix, W. Howard, L. Mann, M. Garvey, B. Johnson, D. Hutsell, C. McFarland, E. Aaron. Row THREE: F. Boettger, R. Payne, R. Burnett, S. Brown, L. Prentice, J. Goodlander, G. Stephenson, D. York, P. Popplewell, Mrs. Scully.

The Junior Classical League is another organization to which Latin students may belong. A convention is held each year, and some Norwood students are able to attend. In the spring the student with the highest score on the Preliminary District State Scholarship Test is awarded a silver key.

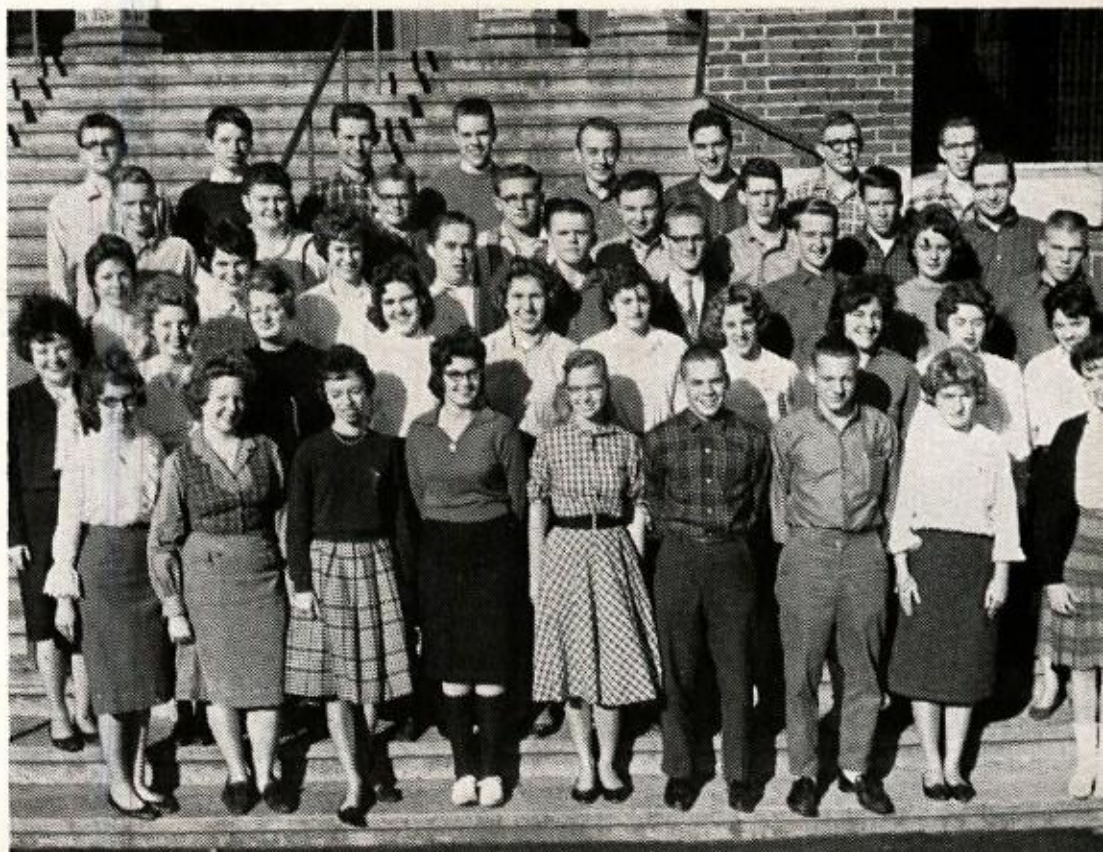

Latin Club's activities began this year with a dance after a football game in October. The second year students sponsored a car wash. The proceeds from these events went into the treasury. Some of the money was given to the High School Community Chest.

Although for many years the Latin Clubs sponsored the "Roman Holiday Dance," this year a "Moon Goddess Dance" was given at which Pat Haley was elected "Moon Goddess."

Two years of Latin includes the study of five declensions of nouns, four verb conjugations, and Caesar's translations. Some people may consider Latin to be a dead language, but at Norwood High School interest in the Latin language still flourishes!

El Club de Espanol, which when translated into English means Spanish Club, is made up of those students who take Spanish. The main purpose of the club is to gain understanding of our Spanish-speaking friends, their unusual customs, and their history. Through Spanish Club, members correspond with high school students in Mexico. In this way the students can better understand how the Latin Americans live.

Because of his extensive travels among the various Latin American countries, Mr. Wilson, advisor to Spanish Club, knows a great deal about the Latin American people.

On Pan-American Day, April 14, an assembly is held at which the origin and significance of Pan-American Day is explained.

Another activity of the Spanish Club is a Christmas party, which is planned by the members. Included in the activities are stories, games, singing, refreshments, and the exchanging of gifts.

Once a year the members of the Spanish Club make a trip downtown to the Spanish Inn, where, after ordering their meal in the Spanish language, they enjoy Spanish food. After the meal new members are formally inducted into the Spanish Honor Society.

The students in Spanish Club must learn and uphold the Club Pledge: "As a member of the club, Good Neighbors, I promise to study well the language of the Spanish people and the country in which they live."

The goal of the Cosmetology Club members is to use their talents and skills to help other people.

The students work for charity by visiting Dral Memorial Hospital and cheering the patients with an excellently done haircut or manicure. They also gain valuable experience from hair styling on ladies who pay a nominal fee.

They save money and make collections for Christmas fund. This money is used to finance Christmas party for patients.

These students are under the expert supervision of Mrs. Tharp and Mrs. Wahlert. There are forty-nine students in Cosmetology this year.

The students are placed in fine positions after graduation.

Every Tuesday and Thursday delicious odors emerge from the tearoom. The cause of the fragrances is the cooking of the boys in chefs' course. Besides serving twice a week in the tearoom, these junior and senior boys prepare three special meals during the year. At Thanksgiving the traditional meal of turkey, dressing, and all the trimmings is prepared for seventy-five people. For Christmas there is a buffet, a special feature of which is a large centerpiece of carved ice. In the spring a Morgasbord is served.

The boys finish the year with a field trip to John's to see the processes by which meat is prepared.

Commercial Co-ops

The Commercial Co-ops, under the direction of Mr. Dietz, are students who gain valuable working experience by working at banks, hospitals, publishing companies, and industries throughout the city. The A. M. Co-ops attend school in the morning and work in the afternoon. P. M. Co-ops attend school in the afternoon and work in the morning.

Popcorn and candy sales, a dance, and the Employer-Employee Banquet highlight the year for the co-ops.

The Commercial Department suffered a great loss this year with the death of Mr. Hostetler, commercial co-ordinator and founder of the co-op program.

Some girls attend classes in the morning and work at various offices throughout the city in the afternoon.

How would you like your bathroom in a showcase window?"

Distributive Co-ops

OFFICERS

BARBARA HENNEL*President*
 KAY WHITTEN*Vice President*
 JOYCE JENKINS*Secretary*
 STEVE LEWIS*Treasurer*

This year the Distributive Co-ops, with Mr. Sheppard as their advisor, is composed of thirteen seniors.

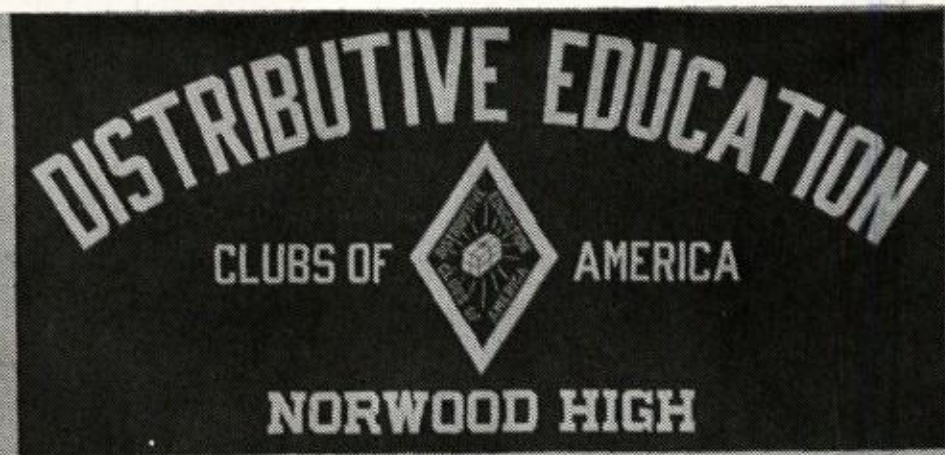

These students attend school in the morning, where they are taught the mechanics of salesmanship which they practice in regular businesses. During the year Continental Can provided transportation to and from their company for a tour.

The co-ops help a needy family both at Thanksgiving and at Christmas.

The annual Employer-Employee Banquet, held in connection with the commercial co-ops, honors the employers.

The distributive co-op program is ideal for students who wish to make a career in the field of commerce.

SEATED: J. Simpson, P. Smith, C. Parks. STANDING: Nuetzel, S. Sterneberg, P. Sowders, J. Reynolds.

Norwood Players

Drama students learn more than production of plays. Publicity is important to a successful production.

This is the second anniversary of the Norwood Players. You can find them in their "Green Room" studying, eating, and talking. Don't go in! It is a limit for those students not in advanced drama class.

The "Green Room" idea was taken from Ohio State University's private room where those of the theater meet to share their common interest in drama.

The Norwood Players are more than classroom students of drama. They visit stage productions at the Shubert and Taft where they have gone backstage to see the nucleus of the theater. This visit is one way they fulfill the purpose of their club which is to develop a greater desire for and to know more about all phases of drama.

OFFICERS

BEN HUBBARD*President*
DAVE MARTIN*Vice President*
JUDY LONG*Secretary*
DARLENE EADS*Treasurer*

The auditorium is quiet as Ben Hubbard, president of National Honor Society, asks Mr. Gesbracht for the sealed envelope containing the names of those junior and senior students who have been selected to membership in the society by the teachers on the basis of scholarship, leadership, service, and character.

At the completion of five semesters of work, ten per cent of the junior class may be inducted. Another five percent of the class may be elected to the society in their senior year after completing seven semesters.

Honor Society's project this year was to boost school spirit. The members also sold pencils and bookcovers to cover the costs of the formal induction held in February.

Row One: D. Kingery, B. Stonebraker, J. Hardert, Mr. Meyer, J. Martin, D. Werling, G. Schoner, J. Garrison.
 Row Two: C. Hatfield, T. Cramerding, D. Cole, A. Jones, B. Chesney, B. Reber, J. Tarter, N. Brevoort.

Auto Shop

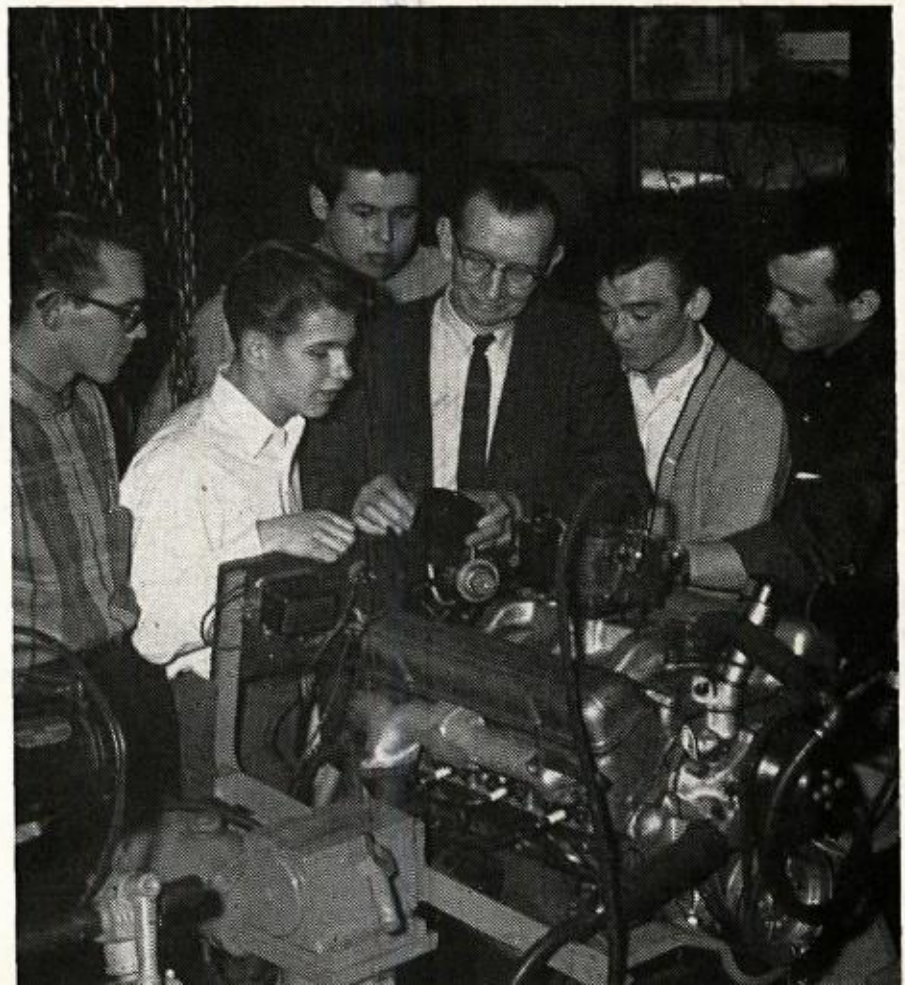

Boys in either their junior or senior year are eligible to join the Auto Shop Club.

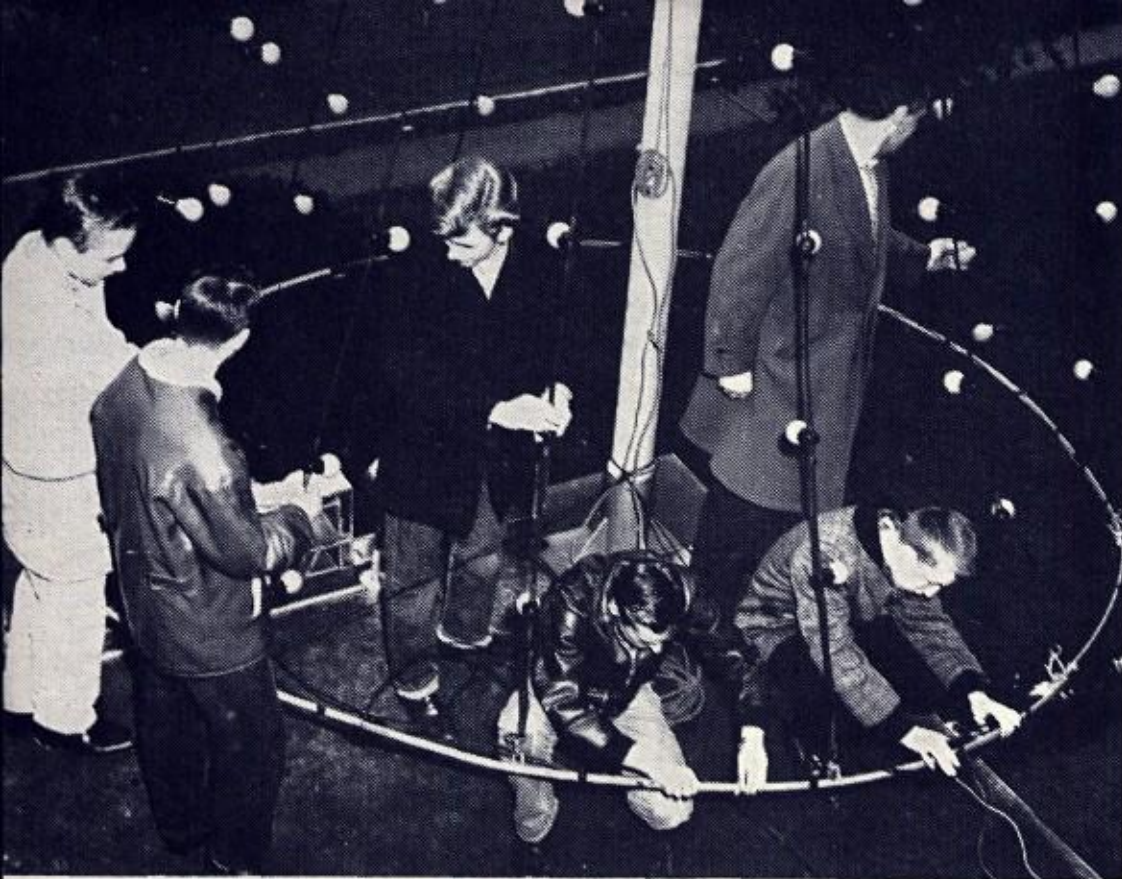

In addition to servicing the cars of faculty members and the trucks of the school by changing the oil, washing, and lubricating them, the boys repair cars for any person in the school system. They do service cars for the general public.

In order for the boys to gain the necessary knowledge and skill, many companies from this area donate engines for the use of the auto shop. The boys tear down, observe, and put together these engines. In this way they learn the different parts of an engine. The companies who donate the engines on which the boys learn often hire them after graduation.

The boys also study auto science, math, and trade information.

Mr. Meyer gives his students some pointers on automobile engines.

Electricity Club members put up the outdoor Christmas decorations on the school.

Electricity Shop

OFFICERS

RON McLAIN *President*
 TOM SMITH *Vice President*
 TOM MORGAN *Secretary*
 TOM WOOLUM *Treasurer*

Electricity Club is flashing like lightning as usual this year. These boys get together to learn more about electricity and wiring. They plan many field trips to industries which show them more of the workings of this wonder.

Besides learning and observing the jobs of electricity, these fellows put their knowledge to good use. They do the wiring for the Christmas decorations, the disc jockey's stand, the auditorium, and the loud speakers and lights for the football game.

The club plans many projects throughout the year. They, like many other clubs, help a needy family on holidays. These boys all take electric shop as a regular course.

ROW ONE: L. Smith, T. Smith, B. Elstun, R. Smith, Kinsley, T. Woolum, R. McLain. ROW TWO: D. Jeffre, Rainwater, K. Ault, D. Hanks, W. McFadden, R. C. Mr. White, J. Albright, T. Morgan, R. Mellinger.

OFFICERS

RY TROXEL *President*
 NNIS GOINS *Secretary*
 E FARRELL *Safety Foreman*

Machine Shop, which is located in the technical building and operated by Mr. Barney, is a class in which boys learn to operate machines and to produce machine parts. With the aid of a shop foreman, they learn both the fundamentals of machine shops and how to work according to industrial standards.

The boys visit several industries during the year and become acquainted with various types of machinery.

Each year, the boys have a project. This year it is the producing of round beam vises.

The senior boys leave school well-prepared for jobs. Mr. Barney is very helpful in assisting these boys to find future occupations.

ROW ONE: K. Rutherford, B. Allen, B. Brelsford, T. Carr, B. Hisle, Mr. Barney, J. Lee. ROW TWO: J. Farrell, Reynolds, D. Goins, J. Siler, D. Smith, G. Troxel, G. Hey.

Friendship

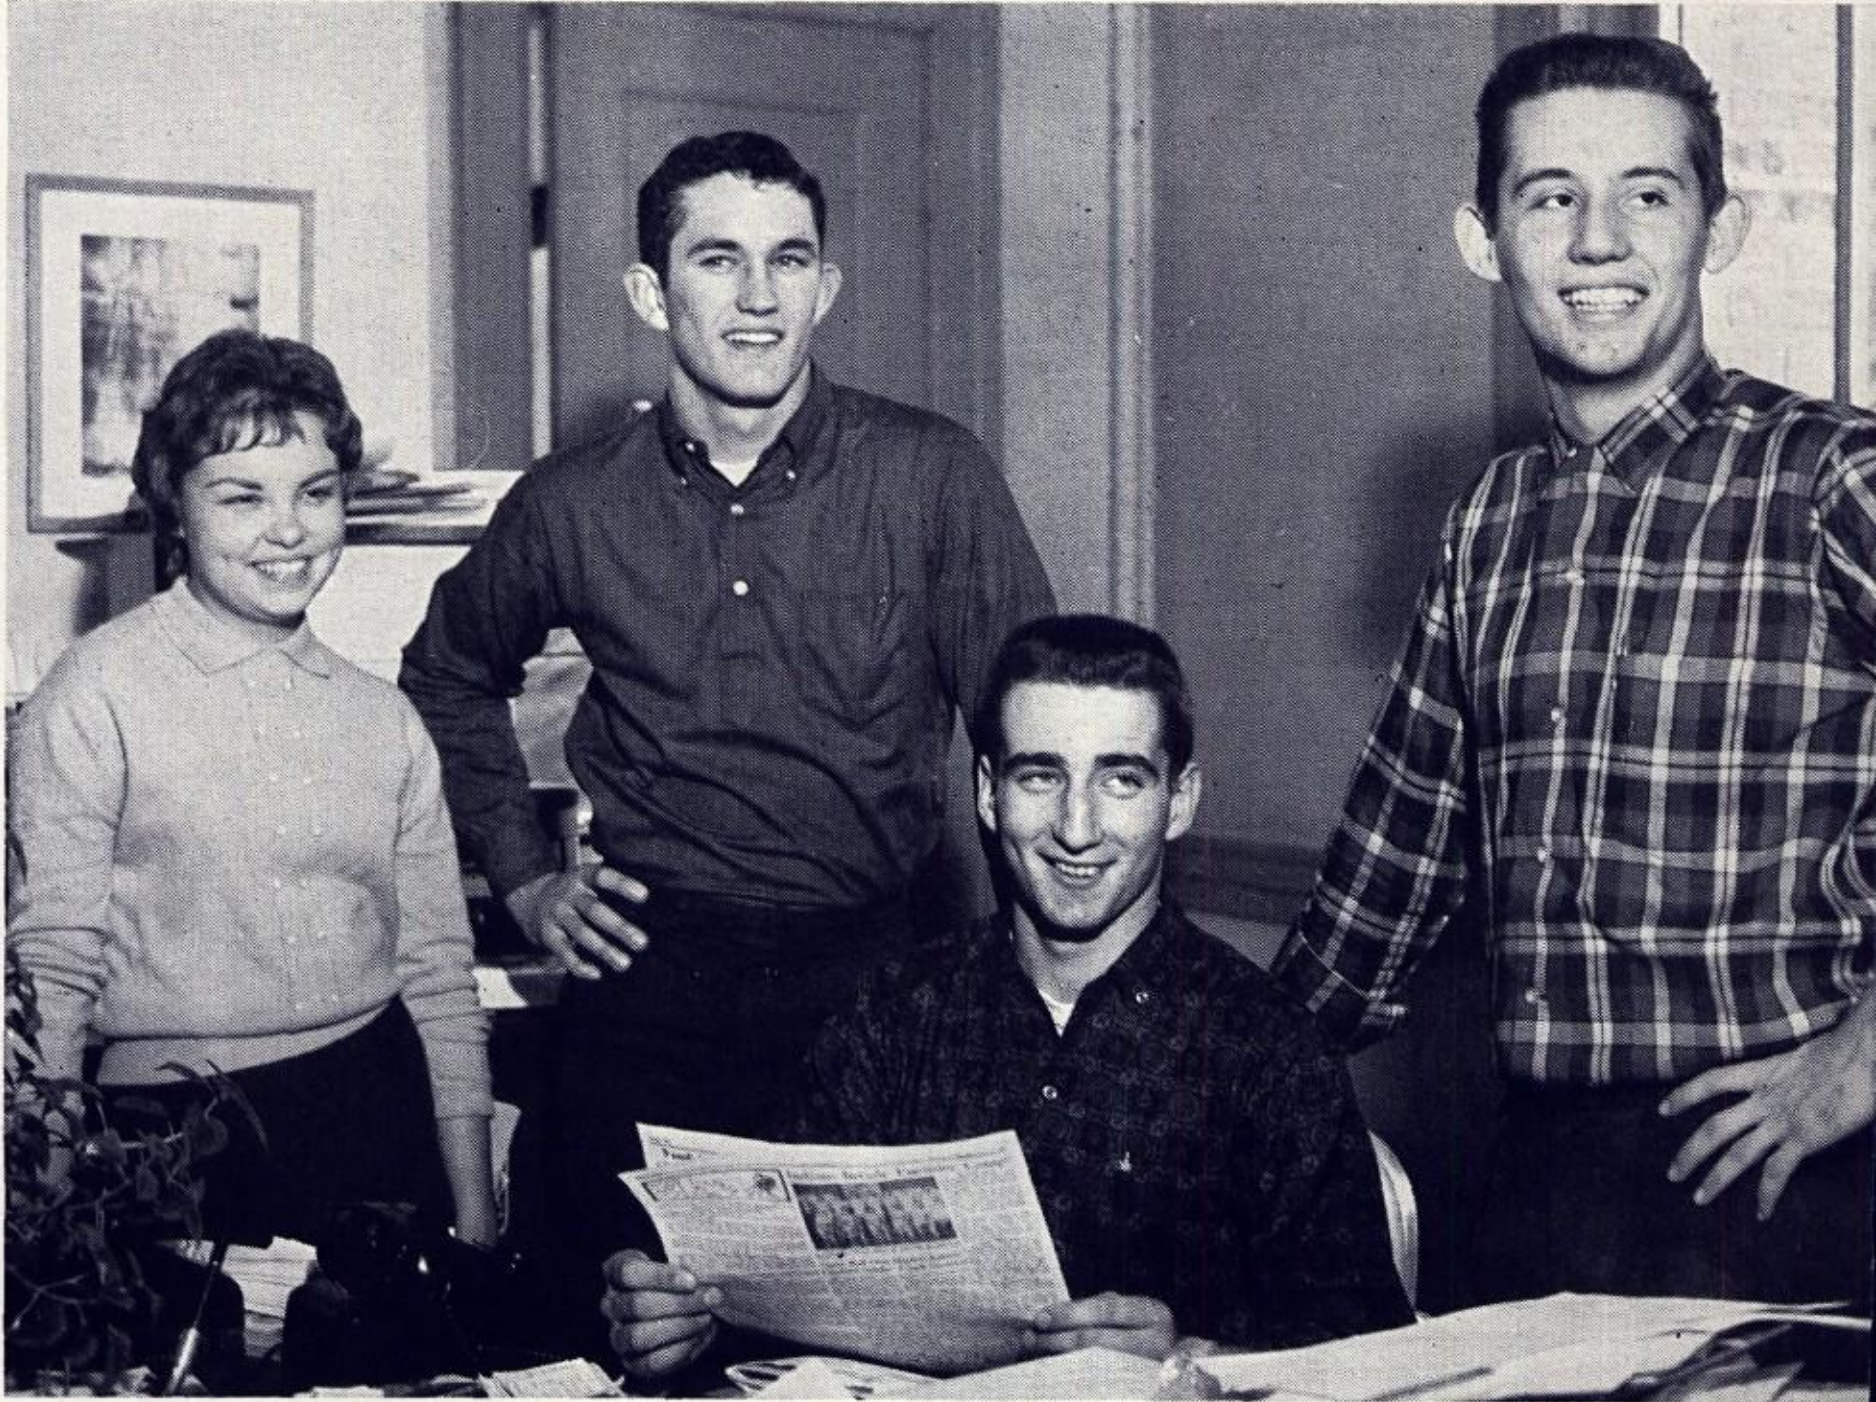

High school teaches us more than math, science, and English. It teaches us something of great importance in learning to adjust to the outside world—the ability to get along with others.

In our classes and through various activities we make new friendships, which remain with us throughout high school and the rest of our lives.

A high school without friends would be a high school without fun, without feeling, without interest.

Graduation—the final step in our school life; the first step of adult life.

We'll never forget that first day we entered the high school as frightened freshmen. We elected Clark Eads as class president; Jo Thomas, vice-president; Pat Wysong, secretary; and Linda Groves, treasurer. It was a year of new experiences—our first football game, our first school dance, our first Shakespearean play. We slowly became a part of the high school.

The sophomore dance, "The Shadow Swing," highlighted our sophomore year. We elected Sandy Hipkins and Clark Eads as "Best All-Around Sopho-

mores." Our class officers were Clark Eads, president; Doris Childers, vice-president; Pat Sowders, secretary; and Pat Royalty, treasurer.

We worked together as juniors to make our project "Stairway to the Stars," a success. Pat Royalty crowned queen. The year's activities were headed by Charles Tubbs, president; Pat Royalty, vice-president; Pat Sowders, secretary; and Doris Childers, treasurer.

Seniors! A goal achieved! We know what a high school is . . . and we'll always carry with us memories of four wonderful years.

Juniors

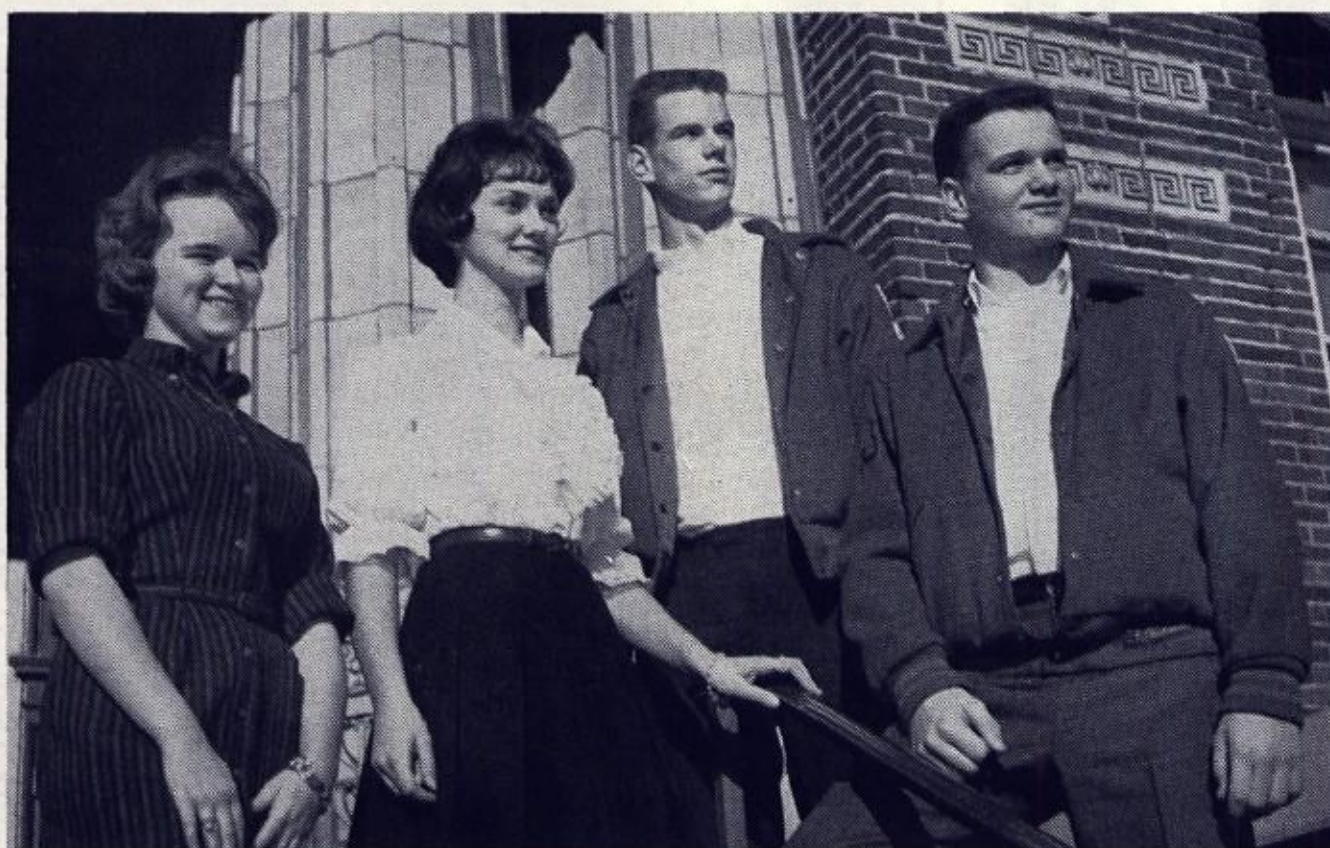

Juniors—upperclassmen at last! The Junior Prom, "Evening in Paris," and the Junior Follies certainly helped to unite their spirits! They were such memorable nights.

Friendships are always many in the junior class. After two years of working together, everyone gets to know their classmates from every grade school.

Knowledge branches out in the junior year of high school. Commercial and vocational subjects are now available in addition to the academics.

The long-awaited sign that you've become an upperclassman.

Wonderful . . . exciting . . . strange—these words describe the freshman's first year at Norwood.

It's wonderful to be able to join in the fun and activity of the high school—a step up from grade school.

It's exciting to meet new friends.

It's strange to be introduced to such unusual and intriguing subjects. Algebra, history, and foreign languages are not strange to the freshmen very long.

These freshmen are discovering the spirit, friendship, and knowledge that make up Norwood High.

Sophomores

The fun-loving sophomores finally settle down to their books. Geometry and biology demand a great deal of their time.

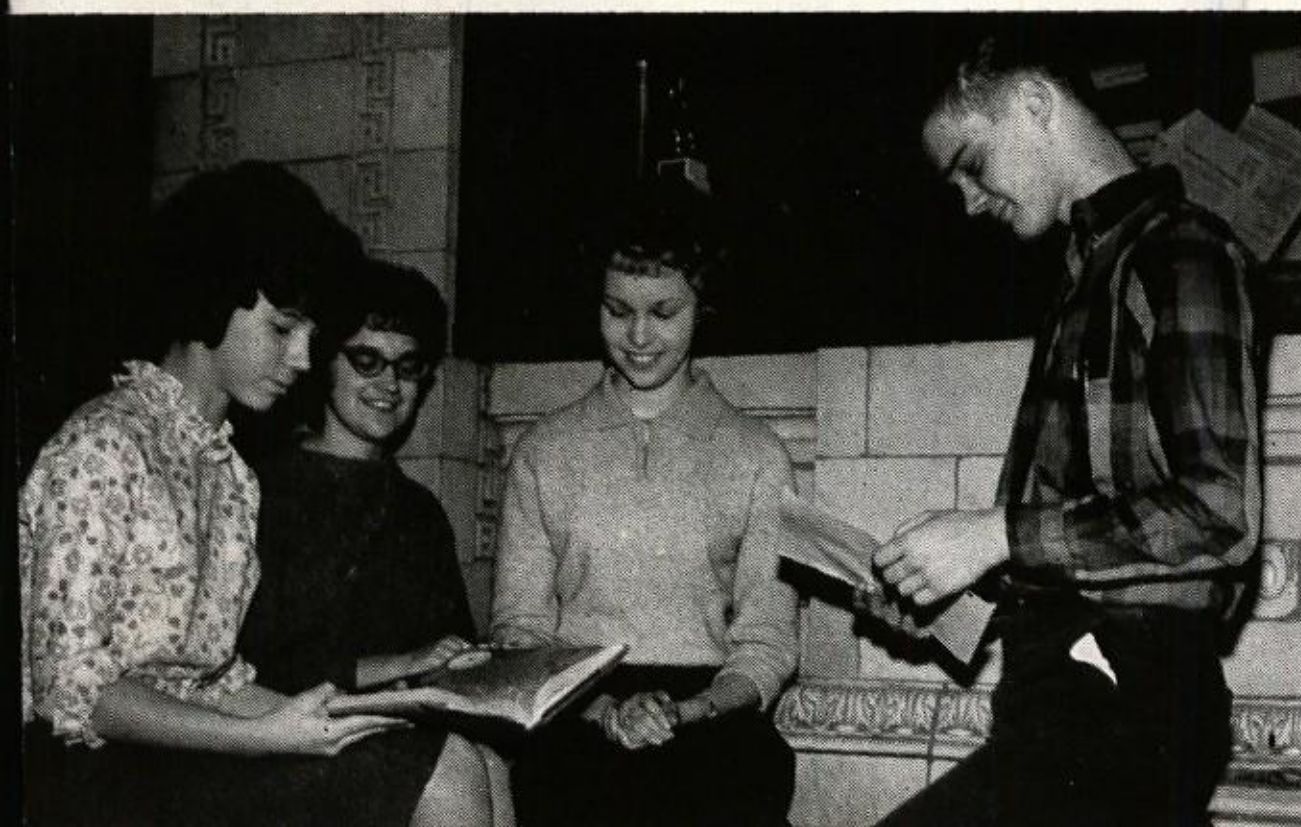

When March draws near, however, the sophomores have to divide their time. March sets the date for the Sophomore Dance. This year the dance was held on March 16. The theme of their dance was the Roaring Twenties."

Led by Jack Fenwick, as class president, the other officers were Gloria Smith, Vice President; Bonnie Mason, Secretary; and Fred Laurence, Treasurer.

"... Ready ... and ... !!" Sophomores shape up the chorus line in preparation for their dance.

Sigma Alpha Tau is the oldest of the three Hi-Y clubs. The motto of the club is "In Spirit Always Together." Business meetings are held every Wednesday night at the "Y." At these meetings the boys discuss activities for the future. Included in these activities are car washes, dances, and the popular hayrides.

Each year there is a Youth in Government Caucus held at a local school. It is during this caucus that the boys learn more about how our government is run.

Sigma Alpha Tau this year sponsored the Christmas dance for the three Hi-Y clubs. At this dance Pam Parsons was crowned queen.

At 7:15 every Wednesday evening at the "Y" you hear a voice ring out, "Alpha Sigma Kappastairs." This familiar call starts the rush upstairs to the regular business meeting of this organization. This is the third year of existence for Alpha Sigma Kappa. They have approximately fifty members at the present time. Their motto is: "Ask and it shall be given you; Seek, and ye shall find; Knock, and the door shall be opened unto you."

Like Sigma Alpha Tau, Alpha has car washes, dances, and hayrides. The members also participate in the annual Youth in Government Caucus. This year the club sponsored the Hi-Y Halloween dance.

"Work" and "fun" are the two words which best describe the activities of the junior and senior girls who belong to Alpha Chi.

Their year begins at a tea, held in September, at which old and new members are welcomed to the "Y." Selling mums, holding dances, selling potato chips, participating in the Easter Assembly, and raising money for World Fellowship are some of the varied activities of the group.

The officers of the club learn more about leadership at Camp Lenmary, where they spend a fun-filled weekend. The year is highlighted by the Mother and Daughter Banquet.

A very effective candlelight recognition service formally initiates freshman and sophomore girls into Beta Chi Y-Teens.

The president and the treasurer are sophomore girls elected the preceding year. The vice-president and the secretary are freshman girls.

Yearly activities such as the Mother and Daughter Banquet, a tea for new members, the annual dance, the potato chip sale, and weekends at Camp Lenmary help create interest in the club. They also have Christmas services, make tray favors, and contribute to World Fellowship.

The highlight of this year was the Broomstick Bounce, a dance held just before Halloween.

They adopted the Hi-Y purpose: "To create, maintain, and extend, throughout the home, school, and community, high standards of Christian character" and took as their motto "To Others Kindness."

The members chose as their president Leslie Mann. With a good nucleus of members as a start, it will not be so long before we will be hearing a great deal more about the Tau Omega Kappa Hi-Y Club.

Beta Chi, Alpha Chi, Sigma Alpha Tau, Tau Omega Kappa, and Alpha Sigma Kappa send their president and two delegates to the Hi-Y-Teen Council.

The purpose of the council is to provide a means of communication between the various girls' and boys' clubs.

The club's traditional activity is Christmas caroling at Victory Park. The caroling is preceded by a worship service and followed by a party.

The council participates in the holiday worship services at school.

A new project this year was the sponsoring of monthly discussions on specially-selected topics.

Spirit

Football games, basketball games, pep rallies, music concerts, publications, council meetings! They were hectic, chaotic, anxious, wonderful!

We worked together. We had fun. We shared the joy and pride of a success—the disappointment of a failure.

What would a high school be without this kind of spirit? Spirit unites the students of a high school. We cheer *together* at the games; we rehearse *together* for the concerts; we plan *together* in organizations.

Student Council members have fun decorating the Christmas tree in the front hall.

Student Council, founded by Carl H. Albrecht in 1934, is the governing body of our high school. Made up of representatives from each homeroom, the members express the viewpoint of the student body.

The Student Council meetings are held on Wednesday mornings at 8 o'clock in room 207 and are advised by Mr. Geselbracht.

A few of the organization's responsibilities throughout the school year include taking charge of the homecoming ceremonies and float decorations, trimming the tree in the front hall at Christmas, sponsoring the first dance, and helping needy families at Thanksgiving.

Student Council's goal is to create a better understanding between the faculty and the student body.

On most Tuesday mornings you can find the auditorium taken over by the girls of Girls' Council. With them you'll find Miss Kehm, who is their parent advisor.

At Thanksgiving the girls sponsor the making of favors by the homerooms for hospitals and the Red Cross. With the assistance of G.A.A., Girls' Council also helps to plan and run Girls' Week.

The event which officially begins the winter fashion season is Red Flannels' Day. This style show, sponsored by the council, reveals all the new styles for the coming season. Girls selected by their homerooms model their new fall clothes. A signal for the fashion show is the fashion show known as Cotton Day.

Freshmen S. Rivers, J. Hamilton, and P. Grubb model the latest winter fashions for Red Flannels Day.

Work—the key word of the SILHOUETTE. From the minute the new yearbook staff takes over at June breakfast each person learns a new meaning for the word. The co-editors, club, literary, sports editors, feature writers, photographers, business managers are comprised of seniors. They must plan each step of the book to cover an entire year. The junior members of the staff contribute their energies by doing odd jobs and raising money.

With the closing of the school year the head editors from the staff attend a week's conference at the University. They return bursting with ideas. Meetings are called, and the ideas gradually take shape into a theme, a cover, and ways to make the yearbook unique among other SILHOUETTES. All too soon the summer is over and school reopens. Then the real work begins. Photography schedules are made, assignments are given out, and the money raising projects get underway.

No event can be overlooked by the photographers. Each sport, school club, and class picture represent a part of our school and is an important part of the yearbook. Writing an explanation of each event which accompanies the picture keeps most of the staff busy. Problems arise at these times, but with the help of the advisors they are solved.

The hustle and bustle of putting the yearbook together comes to an end in the early spring, and the staff celebrates with a pizza party. In June the SILHOUETTES are distributed among the student body, and each staff member takes pride in knowing that his work is well done.

layouts; Wednesday, write stories; Thursday,
proofread; and Friday, check galleys.

The staff is composed of first and second year
journalism students. Although the students have one
hour a day to work on the paper, they all give
generously of their own free time.

Because the *Mirror's* "Ice Cream Social" was
a big success last year, they did a repeat per-
formance this year.

The *Mirror* sponsors the annual Miss News and
Press Dance. This year's Miss News and Mr.
News were Chris Parks and Charlie Tubbs. Another
money-making project is the income from the pa-
per advertisements.

The duties of the page editors are to draw up
the individual page layouts, hand out stories,
read stories, and proofread the galleys. The
editor-in-chief checks the page editors' work, and the
associate editor checks the editor's work.

Does this process sound complicated? Well, it is,
but all this work goes to show the painstaking care
that is put into one issue of the *Mirror*.

Although the students don't fight for the newest
typewriters (all of the typewriters have long since
been replaced to be new), they do fight for the typewriter
with the newest typewriter ribbon.

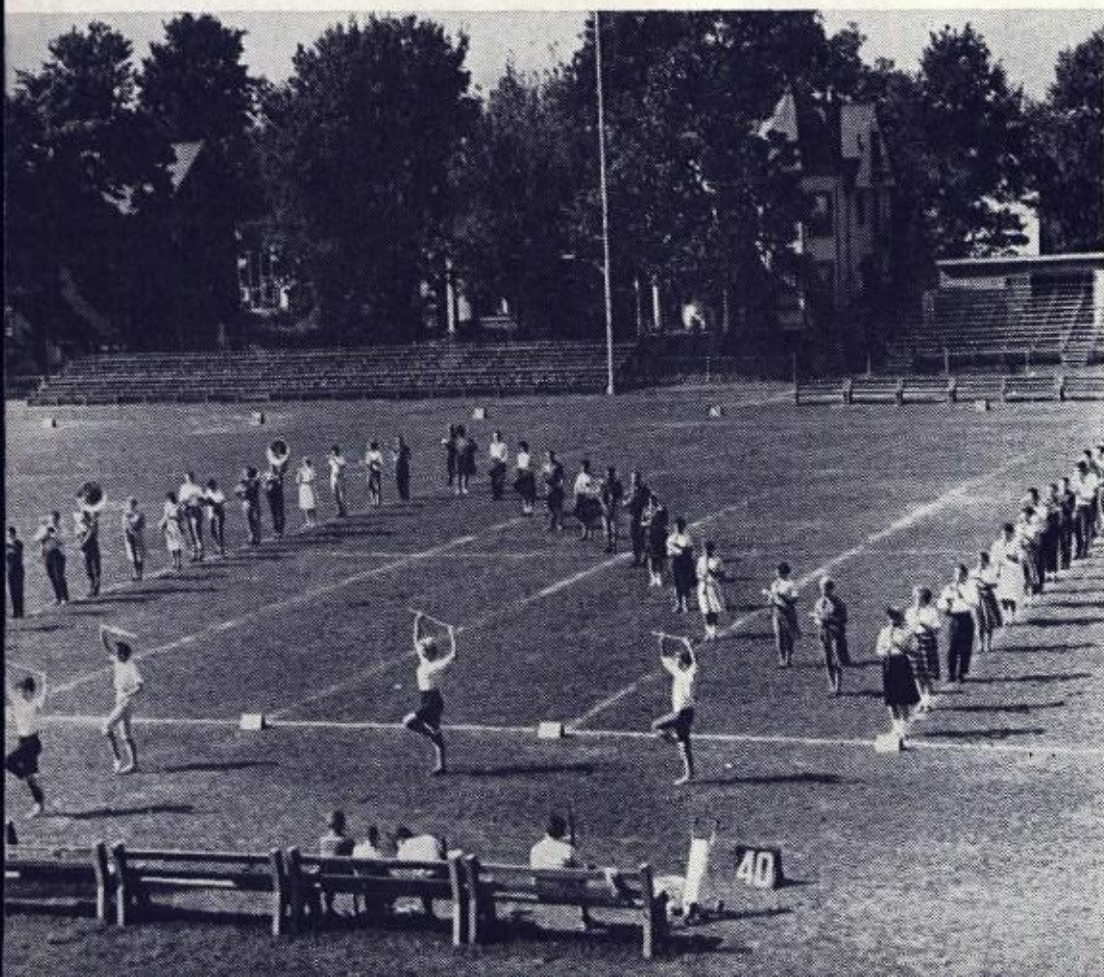

The staff contributes a lot of good, hard work in
publishing the *Mirror*. Although the staff members
sometimes think it's impossible to get out another
issue on time, they always manage somehow.

Every Tuesday morning at 7:50, Morning Watch, a non-denominational organization, holds its meetings in the chapel. These meetings consist of prayer, a hymn, and a short devotional service.

Morning Watch has several activities during the year. In October a pot-luck supper is held, after which everyone goes to the football game.

At Christmas time Morning Watch members visit an orphanage and take a small gift. The Christmas and Thanksgiving assemblies are sponsored by Morning Watch. Many extra hours of work went into presenting the beautiful Christmas tableaux.

Morning Watch provides the devotions over the public address each morning.

The Projectionist Club is made up of a group of boys with a high scholastic average who donate their free time to show films to the various classes in school.

In addition to showing movies, projectionists distribute record players, radios, tape recorders, and film strip projectors throughout the school when they are needed.

The club members, by popular vote, elect the new projectionists from a group of boys approved by the principal, the counselors, and the dean of boys. This year six boys were chosen for membership.

Each year the disk jockeys, who play the records in the cafeteria during lunch, are sponsored by the projectionists. This year's disk jockeys were Charlie Tubbs and Bob Brown.

New members in Projectionist's Club have to be shown the "ropes" by the old members.

The favorite attraction of every Spring Concert is the Norwood High's Omicron Boys' Glee Club. Ten boys are chosen from all four grades by Miss Ewing in tryouts held in September. Meeting on Monday and Tuesday mornings at 7:45, the members sing from a large repertoire of music in four-part harmony. Spirituals rank high on their list of favorite numbers.

The tonal quality of the glee club took on noticeable improvement this year with the addition of many freshmen who had received training in major chorus singing in the grade schools.

Omicron members participate in the chocolate sale held by all members of the choral groups in the fall to raise money for new music.

Promptly at 2:35 on Wednesday afternoons, the strains of Theta's first song can be heard flowing out of room 4. Girls representing all four grades in the school enjoy singing together in three parts—Soprano I, Soprano II, and Alto.

Under Miss Ewing's expert direction, Theta Girls' Glee Club participated this year in the annual Christmas Program singing an unusual arrangement of the familiar carol, "O Little Town of Bethlehem." The girls attended extra rehearsals on Wednesday afternoons to prepare themselves for singing "The Holy City" for the Easter Program and Baccalaureate Service with the Choir.

Theta traditionally opens the Spring Concert, and the girls make a beautiful spectacle in their pastel uniforms.

Sports

Spirit is the stimulus of any sports event. It gives the contestants the drive to give their all, to hold on when the odds are great, to maintain poise when they must overcome. Spirit unites the audience in its desire to win. Spirit speaks within the triumphant and says, "We have won; we knew we could; we will win again." Spirit-filled losers say, "All is not lost; we will win another day."

to, I'd rather have one about yay long."

As in every season, Norwood's 1961 football squad had its high points. Although we lost our Homecoming game, the Norwood Indians gave Sycamore a real fight. Indian determination resulted in an 8-8 tie against Anderson, the 1961 League Champions. The tribe tramped Finneytown 28-0 in the last game of the season.

In the games against Princeton, Colerain, and Sycamore, our boys fought hard but seemed to weaken in the final quarter. Norwood's first game found them unprepared for the much higher-rated Wyoming. Oak Hills won by capitalizing on the Tribe's fumbles, and the Harrison and Taylor games were just not well-played.

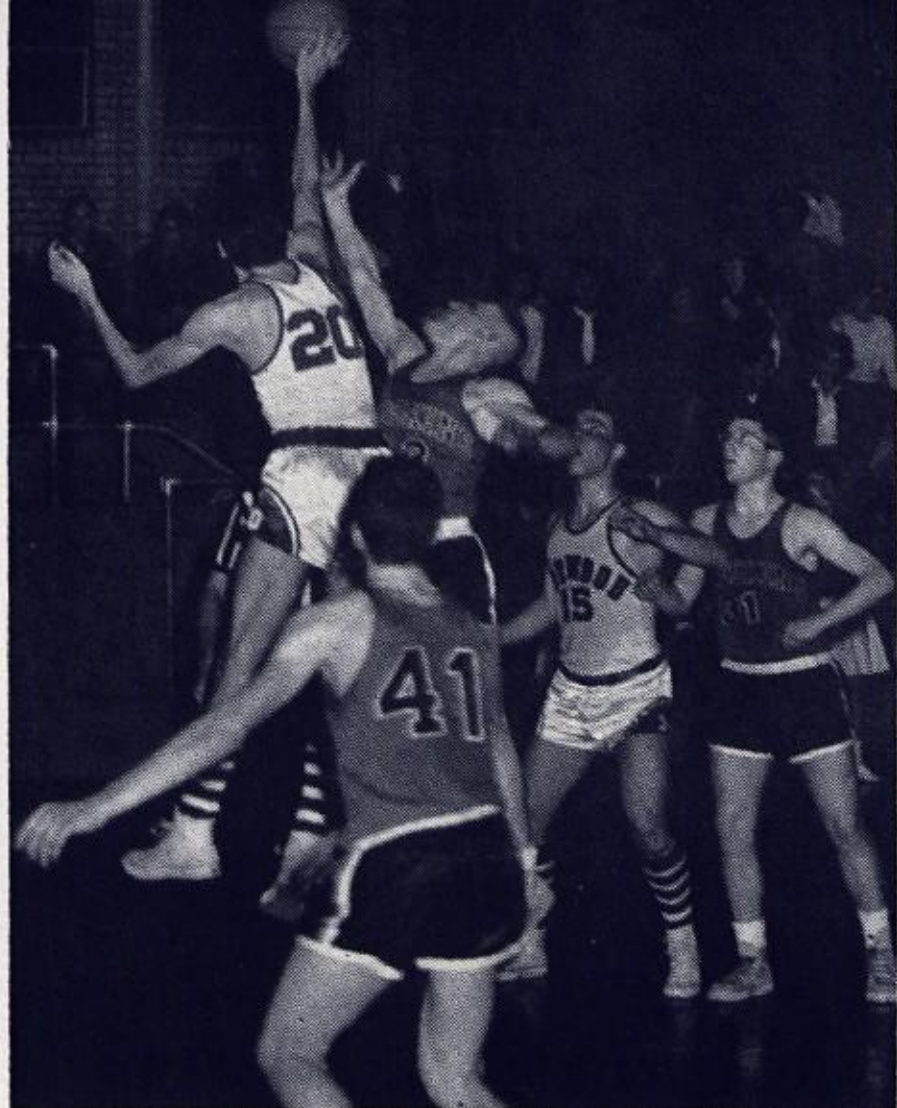

Noteworthy personalities of the season included our new coaching staff with Head Coach, Mr. Hoffeld, and his assistants, Mr. Frazier and Mr. Parker.

Receiving honorable mention to the All-Hamilton County League Team were seniors—Dick Dwyer, high-point man (28); Bill Truitt, Hugh Webb, Bill Wallace, and sophomore, Bob Hollifield.

Reserve Basketball

As they busily sharpened up their skills for next year's varsity play, Coach Rex Parker's Reserve Basketball Team succeeded in turning out a well-balanced nine and nine season. Substantial wins were scored over Harrison 58-46, Walnut Hills 50-40, Moeller 63-37, Lockland 64-45, and Finneytown 61-39. Closer games included victories over Milford 39-35, Wyoming 38-33, Princeton 43-37, and Lakota 52-47. Mike Jordin was high-point man with 171 tallies for the season.

ROW ONE: B. Nichols, J. Keller, P. Allard, B. Kuhlman, Scott, J. Hachman, Row Two: Mr. Parker, (coach); Boettger, J. Downs, M. Jordin, L. Prentice, B. Hollifield, Laurence, D. Pointer, E. Botkins.

Freshman Football

Norwood's Papooses, after two scoreless games, began to pick up steam, and by the fifth contest were really fighting to the tune of a 34-0 win over Finneytown. Another rewarding effort was a closely fought 12-6 triumph over Lockland. The season ended with a two-win, seven-loss record.

Valuable experience was gained under Coach Frazier's direction, and some promising additions to future reserve and varsity teams arose. Among them were guard Dick Chambers, center Dave Blackburn, back Doug Whalen, and tackles Jim Horn and Mike Mastin.

ROW ONE: D. Whalen, N. Phelps, J. Umbach, P. Leach, J. Stratton, S. Edwards, J. Horn, R. Thompson. ROW TWO: L. Ingram, J. Goodman, D. Steidle, K. Haubner, C. Herman, B. Hare, J. Murray, B. Fugett, J. Paced by the high scoring and fast rebounding of Dave Held, Sam Coy, Mike Mastin, and Larry Ingram, Coach Frazier's freshman basketball team produced an admirable 9-7 record. After a slow start, the Papooses improved to the point of winning eight of their last ten games.

Highlights of the year's efforts were the 20-point trouncing of Finneytown, and the triumphs over Lockland, Milford, and Madeira. Held was high scorer for the season, with a total of 168 points or an average of 10.5 points per game.

Winning and losing streaks alternated as Norwood's Varsity basketball team battled its way to a 7-11 record.

Coach Anderson's boys shone in their close work over Princeton, Amelia, and Oak Hills early in the season; the 28 and 23-point lashings of Lockport and Finneytown respectively; and the two-point victory over Sycamore, after trailing by ten at halftime. The tribe dropped two one-point heartbreakers in the final games to Lakota and Talawanda.

Ken Reynolds was high-point man with 247 points, and best rebounder with 197. Dick Woodward pulled highest free-throw average with a 72% mark. Team averages included 57.9 points per game, 39% average on shots from the field, and 58% from the foul line. Valuable players were Cliff Eads, Bill Wallace, Dick Bouldin, Jack Fenwick, Ken Warman, and Jerry Geselbracht.

Baseball 1961

The successful 1961 baseball team, spurred by Coach Paul "Dutch" Ludwig's excellent guidance, emerged at the close of the season with an impressive 11-4 record and the Hamilton County League championship.

Dave Munz's two three-hitters started off the season with victories over Lockland and Wyoming. Rain for the next two weeks seemed to dampen the team's ardor, as they dropped the following contest to Reading. Their troubles were soon over, however,

and the Indians played a fine season which included admirable wins over Finneytown, Princeton, Sycamore, and an errorless game over Oak Hills, the best defensive effort of the year.

Munz was the might on the mound as he collected an 8-1 record. He averaged nine strike-outs and two walks per game. Batting averages included Clark Eads, .459; Dick Wallace, .429; Don Parker (Captain and "Most Valuable Player," .417; and Ken Smith, .405.

Cross Country

Under the flawless tutelage of Coach Paul "Dutch" Ludwig the cross country team grueled out a respectable 6-3 winning season. In separate meets Norwood's harriers triumphed over Greenhills, Sycamore, Finneytown, Oak Hills, Walnut Hills, and Princeton. Their few defeats came at the hands of McCell, Withrow, and Anderson (who only played through an accident in scheduling). Several district and league meets were held including the Public High School League meet, the Hamilton County League meet, and the District meet. In all these meets Norwood supplied stiff competition toward varying degrees of success. In the Southwestern Ohio meet Norwood trailed only Princeton in a 24-school run. The team was led by "Most Valuable Player" and Captain Ken Reynolds. He consistently came in first for the Indians and narrowed his running time to around 11:10. Other players who added their welcome running skill to the year's efforts were Bryce Smith, Ron Mulberry, Bill VanDoren, Bill Proud, Dave Vogel, and Earl Botkins.

Track

The 1961 track team, under the leadership of Coaches McAllister, Ransler, and Captain Walt Pfenning, played in four meets and two relays, collecting a record of three second places and one first place. The Indians came in ahead of Lockland and took second place to Anderson, Madeira, and Sycamore. Although the Varsity did not place high in the Lockland and Hamilton County League relays, the Reserves came through with the league championship.

Golf

The 1961 golf team, under the coaching of Gerrard, provided tough competition for its Hamilton County League opponents. The team consisted of Bill Birch, Bill Kautz, Frank Bruewer, and P. Breitung.

Bill Birch had the best season average of strokes per game. Seven games were played, Norwood's team came through with a 2-5 record including admirable wins over Taylor and Coler and a close but losing effort against Princeton.

"N" Club is an organization for the athletes of Norwood High School. Its purpose is to promote sportsmanship and fair play. This year the club adopted a new rule pertaining to the qualifications of members. To become a member a boy must have earned a varsity letter or must have been a member of one of the sport teams.

On the second and fourth Monday nights of the month a visitor to Norwood High's campus would find the "N" Club busy in their meetings and recreation under the supervision of Mr. Hoffeld and Mr. Lud-

ering the football and basketball games "N" members sell programs.

Also during the basketball season the annual "N" Dance is held. Here the president crowns Var-Vic and Kampus Kate, who were elected by the student body.

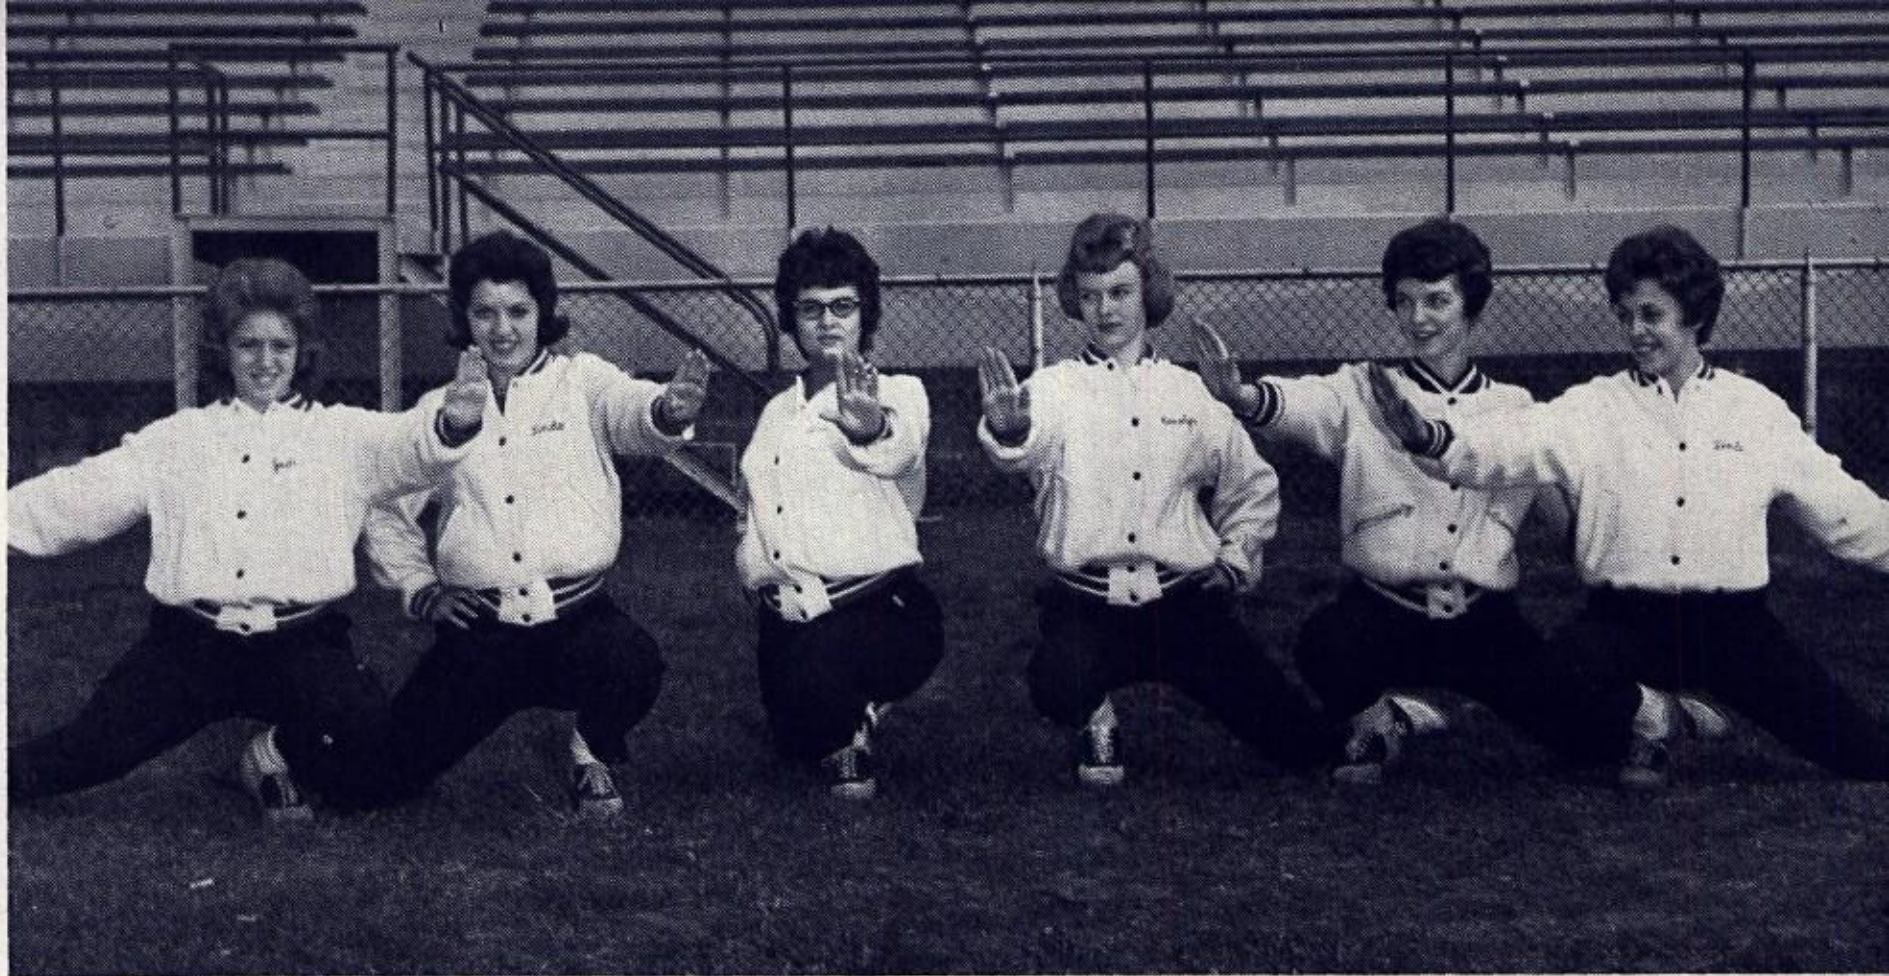

"N" Club annually gives a scholarship to a deserving member.

Hugh Webb tallies up another sale for "N" club's basketball programs.

Varsity Cheerleaders

Hail to the varsity! This line usually applies to the varsity team, but it also applies to the varsity cheerleaders. These girls have been behind the team in victory and defeat.

The squad was made up of three seniors and three juniors, headed by their captain, Linda Whitlock. The girls wore white wool pleated skirts and navy blue crew neck sweaters with big red "N's" on the sweaters.

Reserve Cheerleaders

"Reserves, let's go!" With this line another cheer gets under way by the reserve cheerleaders. The squad this year was made up of two juniors and two sophomores.

Led by their captain, Sandy Kamp, the squad four practiced during the summer months in preparation for the basketball season.

Their uniforms were white felt circular skirts and red crew neck sweaters with navy blue "N's" on the sweaters.

Row One: M. Ray. Row Two: Blair, S. Kamp, L. Rose.

Cook, A. Roberts, S. Baird, S. Hipkins, Captain; C. ks, K. Baird.

Majorettes

Performing with the band in the half-time formations at football games are Norwood High's majorettes. Under the direction of their captain, Sandy Hipkins, the majorettes spent many hot summer afternoons at the school practicing the twirling routines they used in the fall. The girls found themselves well co-ordinated after the long sessions of summer drill.

Besides twirling at the football games, the majorettes perform at the pep rallies and the basketball games.

Pep Club

Shouts of "Yea team! Fight, fight, fight!" can mean only one thing—Norwood High's cheering squad, namely Pep Club, is rehearsing. Numbering in membership from 75 to 100, all girls can help boost the school spirit produced by this group.

The girls are coached by the cheerleaders in the latest cheers. At the away games they wear headbands of red and blue feathers. Pep Club adds to our school spirit by cheering our teams to victory.

G.A.A., the Girls' Athletic Association, is an organization for all girls who are interested in sports. G.A.A. meets after school in the gym every day except Friday. To be a member all you have to do is come.

The G.A.A. Board consists of the main officer, two class representatives, and a manager for each sport and activity which is a part of G.A.A. The board plans "Play-Day," which is the day G.A.A. activities begin after school. "Play-Day" is held on a Friday in September. The activities of the day include volleyball, relay races, swimming, and a treasure hunt. The day is climaxed by everyone.

G. A. A. Board organizes ath

es at G.A.A. playday.

"Oops! I guess I filled that one just a little too full!"

Archery

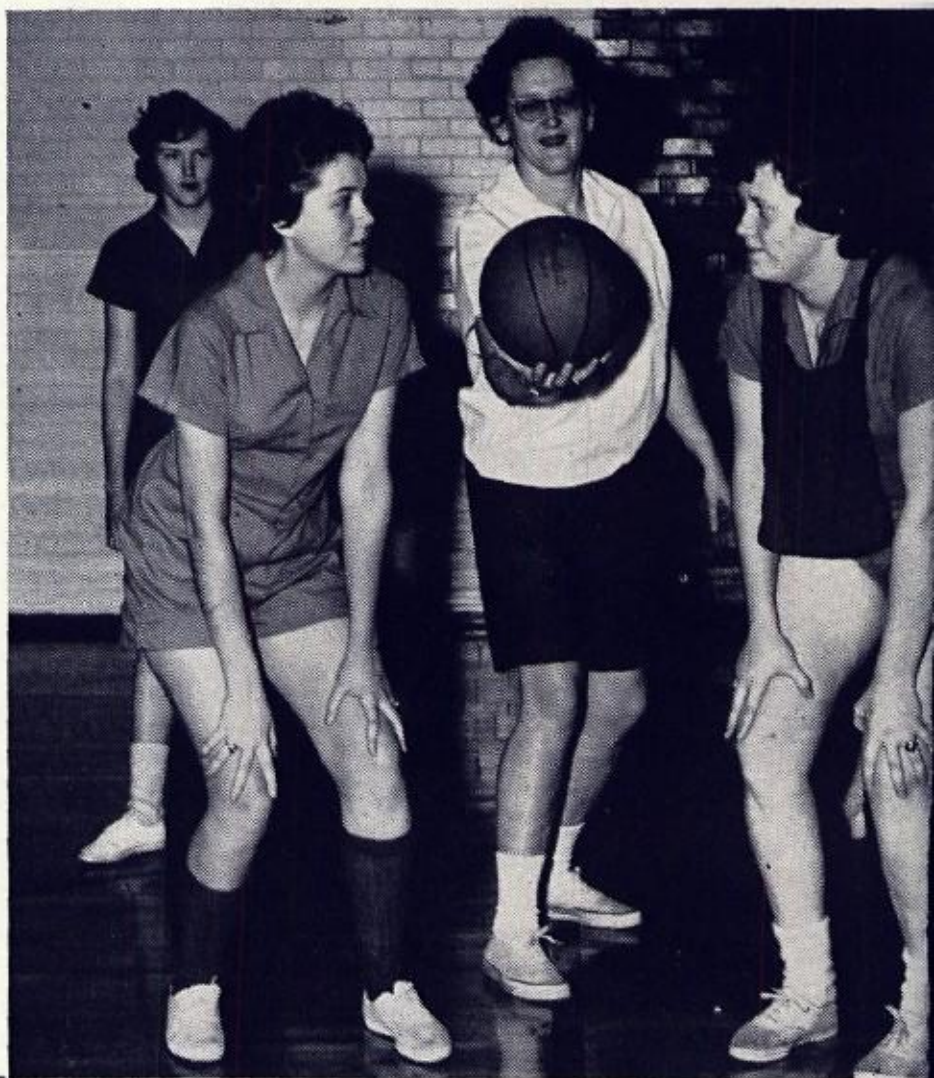

Archery, the last G.A.A. activity in the year, is played on the school's front lawn. Archery develops a good sense of distance and skill.

Girls get archery equipment ready for use.

Basketball

Basketball, one of G.A.A.'s most active and popular sports, provides a lot of excitement for all girls Monday through Thursday in the girls' gym.

"Now, girls, this is a basketball—look closely!"

Bowling

Bowling is a G.A.A. activity which all girls enjoy. Every Tuesday afternoon during the bowling season this popular game is played at Stacey's Bowling Alley.

"Oof! Once you can lift the ball, you've mastered the big part of bowling!"

Hiking

Hikes, which are planned by the hiking manager, are taken in nice weather on Saturdays to nearby parks by girls interested in invigorating walks.

Beautiful scenery and plenty of fun are all a part of G.A.A. hike!

Hockey

Hockey, the first G.A.A. sport each year, is played on the front lawn after school. After many weeks of practice a tournament is held among the four grades.

The latest thing in ladies' hosiery!

Life Saving

Miss Whisler and Miss Noel teach courses in junior-senior life saving every other year so that each girl interested can take both courses.

Now watch closely, girls . . ." Sharon demonstrates the art of life saving.

Modern Dance

Besides revealing their inner feelings and emotions through dance techniques, girls who participate in G.A.A. modern dance discover unused muscles which hurt for days afterward.

Oh, muscles do ache after participating in modern dance!

"N" Girls

During Girls' Week every year each girl who has worked to earn five hundred G.A.A. points is rewarded with the presentation of a big "N."

NORWOOD'S "BIG N" GIRLS—SEATED: P. Popplewell, Lewis. STANDING: C. Dennis, G. Suppe, S. Vandergriff, Blackburn.

Softball

Softball is played on the athletic field Monday through Thursday after school in the spring. The skill of many girls might prove valuable to the varsity team!

As soon as warm weather arrives, girls begin G.A.A. softball.

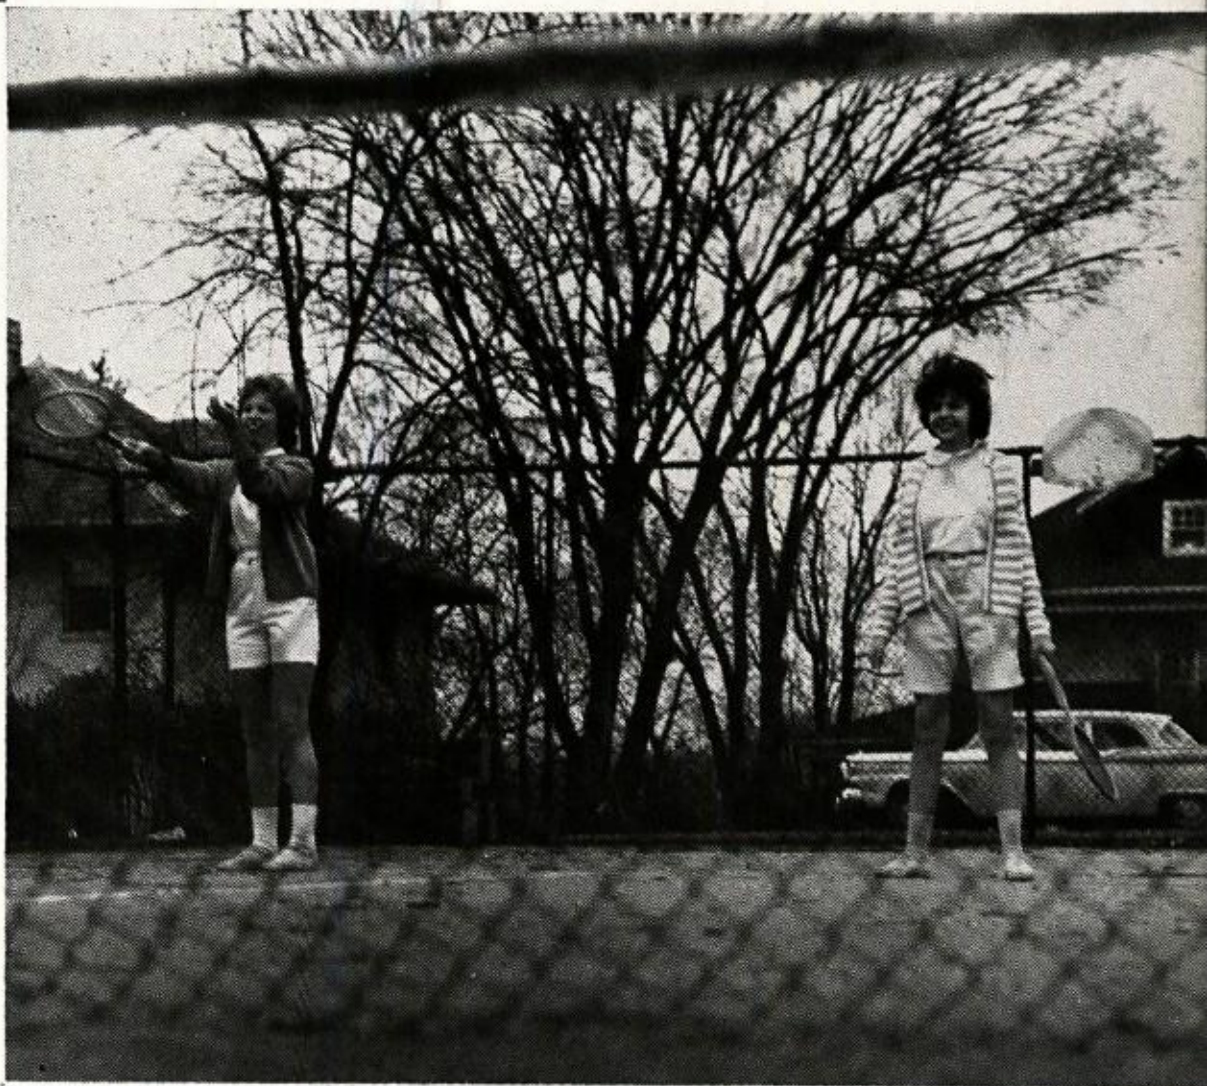

Swimming

Swimming, for girls who like the water, is good exercise and is also one of the easier G.A.A. activities in which points may be earned.

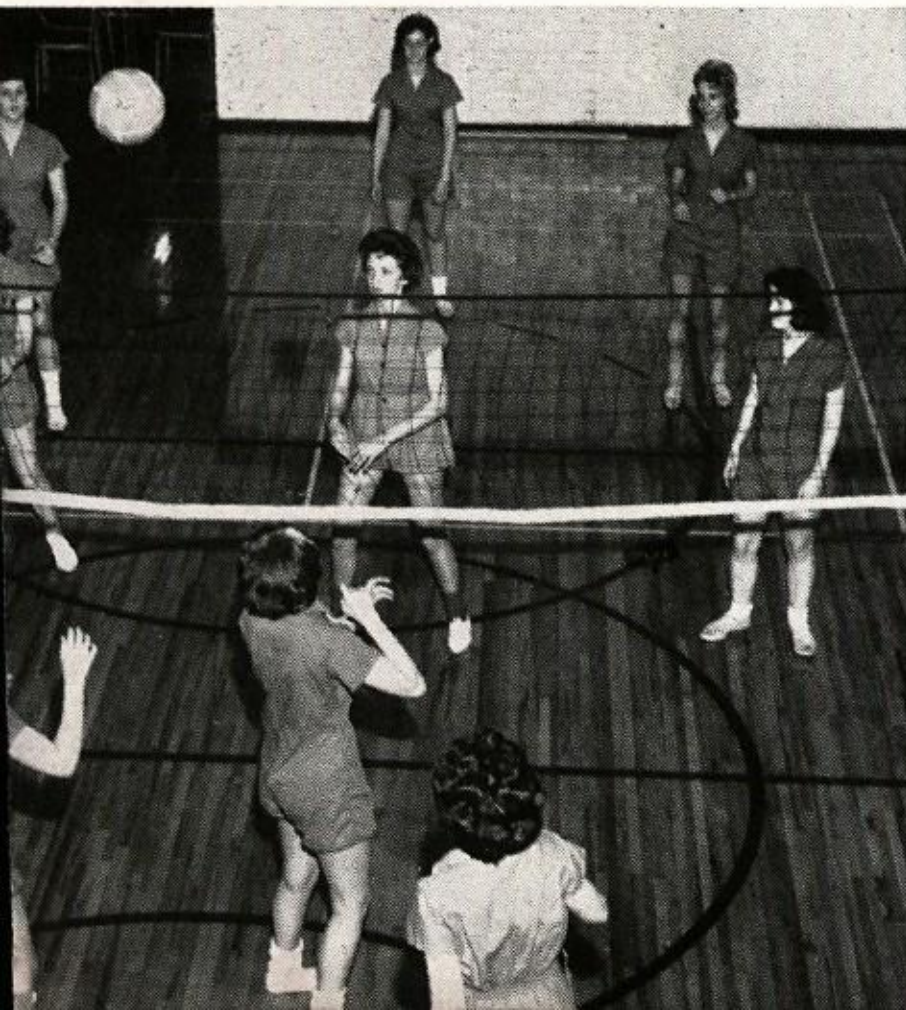

Miss Noel gives beginners their first swimming lessons.

Tennis

The physical education teachers provide instructions in playing tennis to prepare the energetic girls for G.A.A. tennis matches on the Park Avenue courts.

Don't just stand there, hit that volleyball!

"But Sally, dahling, playing tennis is a breeze!"

Volleyball

A popular fall sport enjoyed by many girls is volleyball. A tournament among homerooms of girls who participate in volleyball after school concludes the season.

LOVE AND HONOR

Love and honor to old Norwood:
High school old and grand;
Proudly we shall ever hail thee
Over all the land.
High school, high school, how we praise thee,
Sing joyfully this day.

FADS 1961-1962

Some day when the hairstyles are sleek, and the skirts are long and full, we'll look back at 1962 and remember:

The high, back-combed hair styles
The knee-tickers and knee sox
The boys' loud ski sweaters
The girls' gym shoes and hose
The dainty hair ribbons
The "Ben Casey" blouses
The big purses
The "Twist"

The Final Word

Another year filled with activities has come to an end. We of the SILHOUETTE staff hope we have been able to capture these activities in this book so that you may relive these events again and again.

Although we worried, fretted, and sweated over this yearbook, we also had some great times. There were lively nights when, after missing supper, we pooled our pennies to buy a "Kelley's Dinner Special," consisting of a coke and four peanut butter chocolate crackers. Then there were the sleepless nights, because the weatherman had predicted four inches of rain on one of our photography days. Somebody answered our prayers though. There wasn't a cloud in the sky the next day.

Some night after everyone has gone to bed, tiptoe up to the attic and open that old dusty trunk where all the odds and ends you've collected since your childhood are stored. Dig out your '62 SILHOUETTE and browse through it. Look back at all your friends, some of whom you have already forgotten. Maybe you reported for *Mirror*, or sang on a Spring Concert, or even tore apart a motor in Auto Shop. It's all there. Don't miss the sports, or the clubs, or the features. Aren't they wonderful memories?
